A common question we get is: Where are we sleeping?

There will be platform tents. Each tent is big and allows 8 people to sleep under it. We will have separate tents for girls and guys. It is about a 2-minute walk from the shower house.

If there are two adults willing to chaperone, I will permit some of the teens to sleep out on the ground in the pines section of camp, if the weather is supposed to be clear. This is a potential option if the conditions are right.
